INTO
DREAMS

EARN MONEY FOR SCHOOLS THROUGH THE PURCHASE OF SPECIALLY MARKED BOISE® PAPERS

A PARTNERSHIP FOCUSED ON THE COMMUNITY'S FUTURE

Started by General Mills in 1996, the Box Tops for Education program is dedicated to helping make our nation's schools the best they can be.

Box Tops has been incredibly successful, helping schools realize their dreams despite cutbacks and other tough economic challenges.

Boise is committed to providing consistent, high-quality papers that satisfy our customer's many needs. With Box Tops, customers continue to see that same commitment to quality, but in a different and rewarding way—quality in their children's education.

Through its partnership with Box Tops, Boise has donated over \$5 million to schools.
